Le lutin Perlimpinpin

Les maisons des lettres

17ème jour

Imprime les feuilles suivantes en recto-verso.

Replie les bords extérieurs vers l'intérieur
en les centrant sur le milieu du rond et de la flèche.

Coupe sur les lignes diagonales pour donner
une forme de maison avec un toit.

Rajoute des mots et des dessins que tu aimes dans chaque maison.

Tu peux aussi décorer l'extérieur de ta maison.
